Description

Discover the innovative Stealth Kraft Inkless Pen, an eco-conscious writing solution. These unique pens feature either a black or natural kraft paper barrel with a matching crimped paper cap. Instead of traditional ink, they write using a special metal alloy that mimics the feel of a very hard grade pencil, producing a smooth black writing colour. The tip wears away so slowly that no sharpening or refills are ever needed, making it a sustainable and long-lasting alternative to conventional pens. Ideal for everyday use, the Stealth Kraft Inkless Pen is perfect for those seeking an environmentally friendly writing tool. Material: Kraft Paper Barrel
