Description

Tired of frantically searching for misplaced keys, wallets, or bags? The Anti-loss Smart Tag is here to redefine convenience. This smart tag seamlessly pairs with the isearching or kindelf app (iOS/Android compatible) to keep your essentials within reach. Receive alerts if items stray beyond range, or use two-way search: trigger the tag’s alarm remotely via the app to locate nearby items, or double-press the tag’s button to make your phone ring—perfect for finding hidden devices. In addition, you can click the smart tag to let your phone take a photo. If the smart tag is lost, you can check the location before it was lost. Customize it with your brand logo via screen print or UV print. Simplify life—stay organized, connected, and in control.
