Description

Get your branding seen while charging your devices, with our Charging Data Cable Kit! Made of ABS and PC which is portable and durable. Complete with engraving, screen print, and UV print to showcase your brand. It is available with both high-speed data transfer and charging options. The kit offers multiple charging solutions: Type-C and USB-A input, and Type-C/iOS/micro USB output. It features an eject pin for easy SIM - card removal. With space for a micro SD and a nano SIM card, makes it an ideal travel accessory. Particularly, it is also equipped with a makeup mirror.
