Description

Get your branding seen with our new hot water bottle with a plush cover. Made from high-quality PVC, covered with soft fluff, making it durable, well sealed and easier to transfer heat. Specifically designed to slow heat loss, and avoid scalding your hands and body, keeping you warm and safe. The hot water bottle can be filled with two-thirds hot water below 80°. With heat transfer to highlight your design. Perfect to keep warm, relieve tension and promote relaxation.
