Description

Our Outdoor Solar Wireless Power Bank is a great tool for when you're out and about! It is equipped with a 20,000mA lithium battery with a rated capacity of 13,000mAh, which takes about 5 hours to fully charge (Type-C input 10W). It can charge an Iphone15 or Samsung s23 3 to 4 times when fully charged. We will use screen print, UV print to customize your brand's logo. Both of its USB ports support 10W output and are also equipped with a wireless charging function with 5W output power, which can be charged without a data cable. This power bank has a camping light function and can also switch to a red and blue flashing warning light mode. Users can take this power bank camping everywhere, which can promote your brand very well.
