Description

Our new elastic wristband is a bright, eye-catching wristband. Made of soft elastic polyester and one size fits all design. Easy to take on and off. Additional customization options include the addition of RFID chips, which can be used to unlock doors, issue commands to machinery, membership sign-in or logging of certain actions within the workplace. Complete with full colour heat transfer to highlight your design. Stretchy wristbands are ideal for fundraising, awareness campaigns, promotion, and as an admission bracelet for events.
