Description

Pop with our Custom Shaped Mirror Phone Holder to free your hands! Made with an acrylic mirror, and comes with a transparent grip base. Can be customized with different designs including shapes, colours, logos and patterns to match your style. Both mirror and frame can be printed with your design. Mirror frames with a width of 5 mm or more can add an epoxy dome for an additional customisation. It slides comfortably between two fingers and significantly reduces the risk of dropping a phone while using it. Perfect for app browsing, watching videos or makeup touch ups.
