Description

Our LED neon light with UV print, can be tailored to the shape, size, and color you require. Breaking the limitations of neon's existing colors. The print colour can be created according to a specified pantone colour, allowing you to achieve better color accuracy. The base is a 7mm thick high-quality transparent PS board. Our LED NEON light is made of Eco- friendly resin and its letters are fully integrally formed lines. Comes with two peg holes on the base board for convenient hanging (including hanging chain x 1,screws x 2). The durable base board can be leant or pegged onto the wall, or even used stand alone. The size range is between 40 - 110cm. The classic version comes with UV print with the default dimmable function, but you can also combine it with other options. Customize your logo and branding with fancy 3D art. Add fun and decorate your space easily. An ideal eye-catching addition to your room decor to add extra colour.
