Description

Get your branding seen with our new PLA Single Wall Compostable Paper Cups with Cup Sleeve! Made from 100% virgin pulp paper and industrial compostable PLA coating, breaking down completely in professional composting facilities. Includes matching paper cup sleeve for better grip and insulation. They can be used for hot or cold drinks without leaving harmful waste. Customised with CMYK print to highlight your branding. In addition, enhance your brand experience by pairing your paper cups with white compostable sugarcane lids. Custom Shape Printed Cup Sleeves are also available. Perfect as promotional gifts for cafes, corporate events, promotions, or as branded giveaways.
