Description

Experience superior temperature retention with our 550ML Thermal Rubber Coated Drink Bottle featuring a secure screw-top lid for perfect spill-proof performance. Constructed from food-grade 304 stainless steel, this reusable bottle meets strict LFGB safety standards while keeping beverages hot or cold for extended periods. Choose from multiple stylish color options to match your brand identity or personal preference. Enhance your marketing impact with custom screen print, engraving or UV printing to showcase logos or designs with premium quality. Ideal for corporate gifting, promotional campaigns or everyday use, this thermal bottle delivers exceptional brand visibility while promoting sustainable hydration solutions.
