Description

The Heritage Wooden + Metal Ball Pen leans into premium materials and a smooth twist-to-write motion that feels effortless from the first turn. Its timber barrel pairs with a refined metal cap, giving it a weighty, confident feel the moment you pick it up. A seamless twist reveals a metal refill with up to 1500m of writing distance, built for long stretches of ideas, signatures and everything in between. Balanced, impressive and made to last, it's the kind of pen that earns a permanent spot on the desk of decision-makers, gift givers with good taste, and anyone who appreciates products that feel refined and considered from the moment they're picked up.
