Description

The Apex LED USB Flash Drive combines modern style with innovative branding options. Built from ABS and zinc alloy, it offers a durable and refined finish. The standout feature is its fully customisable LED, which can be designed with your logo and choice of colours, creating an eye-catching glow every time the drive is plugged in. Available in USB 2.0 across all sizes and USB 3.0 for 8GB and above, it ensures smooth, reliable performance. With multiple personalisation options—including data preloading, Pantone-matched shells, AutoRun, and file protection—it’s the ultimate promotional tech product. Note : USB prices change frequently. Please contact our sales team for the latest price quote.
