Description

The Block Natural Straw USB Flash Drive combines sustainability and functionality in one unique eco-inspired design. Made from natural straw material, it not only serves as a reliable storage device but can also double as a paper clip to secure papers, cards, and documents. Featuring both USB Type-C and USB-A connectors, it ensures seamless compatibility across multiple devices, while offering flexible storage and customization options that make it a standout choice for environmentally conscious branding. Note : USB prices change frequently. Please contact our sales team for the latest price quote.
