Description

The SunScribe A4 Notebook brings a fresh take to everyday writing, made from PU and RPET300D for a cleaner, more considered approach to materials. Inside are 80 lined recycled sheets of beige paper, each page finished with a recycle logo in the corner as a reminder of its recycled roots and a durable RPET cover. The set includes a natural bamboo pen and features an RPET logo printed on the side, reinforcing the environmentally conscious story behind the product. Sized at A4 for generous writing space, the SunScribe A4 Notebook is ready for meetings, planning sessions, and brand exposure that keeps working long after the first page is filled.
