Description

Discover a pen as unique as your ideas, featuring a barrel made from naturally pressed tea leaves. Each pen showcases the delicate textures and subtle hues of real leaves, creating a tactile and eco-friendly writing companion. When first opened, the pen carries a gentle, natural tea leaf aroma that adds to its sensory charm, though the scent will gradually fade over time. Please note: tea leaf grain and tone may vary slightly from piece to piece. Pair with either of our NB034 or NB035 notebooks for the perfect branded infusion.
