Description

The Napier Gel Ink Pen takes the refined aesthetic of the Napier range and pairs it with the smooth, fluid performance of gel ink. Unlike ballpoint ink, gel ink uses a water-based formula that glides effortlessly across the page, producing richer, more vibrant lines with less pressure required. The matte finish aluminium barrel and silver accents give it a polished, professional look, while the 0.7mm ball delivers a precise and consistent line with every stroke. With an approximate writing distance of 240 metres, it is built for everyday use without compromise. Available in Black, Blue, Navy Blue, and White, it is as versatile as it is refined. An optional pen pouch, sleeve, or black gift box is available at an additional cost. Please note: a small ink plug is fitted to the tip prior to dispatch to keep the gel ink fresh during storage and transit. Simply remove it before first use. Material: Aluminium
