Description

The Slim Stylus Hex pen combines sharp geometry with a modern tech touch. Its clean lines are offset by chrome detailing and a partially forged hexagon clip, inspired by the structure of hives to represent communication and shared purpose. Fitted with a stylus tip, it's designed to move easily between screen and page. Inside, a Cross-type 1mm German black ink refill with a Tungsten carbide ball delivers smooth, skip-free writing across approximately 1300 metres. To maintain performance, store the pen sideways or tip-down. Made from brass, stainless steel and ABS thermoplastic. Supplied in individual polybags with optional gift boxes available. MOQ Is 1,000pcs
