Description

Meet the squishy little cube customers will actually want to keep on their desk. This little guy gives the look of a realistic frozen cube with a soft squeeze feel that helps take the edge off busy workdays, event nerves, long calls and general “please hold” energy. Available in blue, red, green and black, each cube comes packed in its own clear plastic storage box, giving it a neat retail-style finish while keeping it easy to store between uses. The storage box can be branded, making this a fun giveaway for offices, events, wellness campaigns, trade shows, school programs and client packs. Small, tactile and hard to ignore, it is the kind of promo item people pick up once, then keep reaching for. Warning: Keep away from children under 6 years of age. Do not consume. Discard if cracked, punctured or damaged. Do not leave in a vehicle or in direct sunlight. Do not place in a microwave, dishwasher or refrigerator. Do not puncture or cut the outer surface. Clean using water-based, non-alcoholic cleaners only. MSDS shows White Mineral Oil as the primary internal component
