Description

The STAEDTLER Lumocolor Permanent Marker features a versatile chisel tip, allowing broad or fine lines (approx. 2-5mm line width) for writing, marking, and creative projects. Its waterproof, smudge-proof ink delivers reliable, long-lasting performance on almost every surface. The black barrel is made from recycled polypropylene, while ink-coloured caps make colour identification easy. Dry Safe technology ensures the marker stays ready to use even after being left uncapped for days.
