Description

The STAEDTLER Lumocolor Whiteboard Marker features a versatile chisel tip, allowing broad or fine lines (approx. 2–5 mm) for writing, drawing, and presenting on whiteboards, glass, and porcelain. Its dry-wipe ink removes easily without leaving a trace. Dry Safe technology and ink-coloured caps make it easy to identify the colour and keep the marker ready to use even after being left uncapped for days. The whiteboard marker is housed in durable plastic made from 97% recycled materials.
