Description

Pool, picnic, patio, or packed in a bag. The Velora by The Line Edit is ready for all of it. Virtually unbreakable and made from Tritan, a high performance BPA free material with crystal clear clarity, it is built to stay that way. The exterior fluted design gives it the look and feel of a proper glass, the kind you would set out for guests, not the kind you reach for because you have to. No clouding, no warping, no loss of clarity over time. Just a beautiful tumbler that holds up to real life. At 450ml it is the right size for wine, a spritz, or whatever the occasion calls for. Dishwasher safe, with specs discreetly embossed into the base. Supplied in bulk. Also available in a gift box of two, LL0858 Velora Tumbler Gift Set by The Line Edit. Material: Tritan
