Description

Create your own unique style with our new Crew Custom Sport Toe Socks! Crafted from soft, comfortable cotton and durable silicone, they feature non-slip grip points along the entire sole for superior traction on slippery surfaces. The unique toe-separated design helps reduce friction between toes, while keeping your feet dry and hygienic. Ideal for both indoor and outdoor activities, these socks utilize custom silicone grip to vividly highlight your designs, making them an excellent choice for effective brand promotion. Stylish, comfortable, and practical, they provide the stability and safety you need for everyday wear.

Details

Item Size
20x19cm

Colours
PMS

Decoration Options
Jacquard craft - Crew Custom Sport Toe Socks

Notes

Details such as measure, weight indications are approximate figures only. We reserve the right to change colours, printable areas, technical details or designs.

Jacquard craft

Screen Print On Toe

Due to the characteristics of the process, adding screen print may increase the time to finish the pre-production sample and the bulk production. Please talk to us before placing your order.

Additional Packaging

- Full colour custom header card
- Envelope
- Custom gift box
- Blank paper cylinder
- Full colour custom paper grids
- Custom sticker

Woven Label

PVC Gripper Dots

Embroidery

Due to the characteristics of the process, adding screen label, PVC gripper dots or embroidery may increase the time to finish the pre-production sample and the bulk production. Please talk to us before placing your order.

Due to the nature of the Jacquard weave customisation, small details, such as small fonts may not be visible clearly on the finished product. Please keep this in mind with your design.

Left

Right

Due to the characteristics of the process, to achieve the best results, we recommend using logos that have the same direction or an inverse design when embrodering logo on socks, so creating symmetrical logos for the left and right foot in pairs to ensure and improve a longer production lead time.
