Description

A whiteboard and notepad is a great way to leave messages in the home or office. Combine this with a magnetic whiteboard marker/poly bagging to complete this great product. Pad has 25 leaves. Lead times are base on in-house standard pad only. Variable-data printing (VDP) Add a marker and clip to complete this great product for TBA(G). (Also known as variable-information printing (VIP) or VI) is a form of digital printing, including on-demand printing, in which elements such as text, graphics and images may be changed from one printed piece to the next, without stopping or slowing down the printing process and using information from a database or external file. For example, a set of labels, each with the same basic layout, can be printed with a different name on each label. Variable data printing is mainly used for direct marketing, customer relationship management, advertising, invoicing and applying addressing on selfmailers, brochures or postcard campaigns.
