50mL Sunscreen

Description

SPF 50, TGA-approved, and dry-touch — it absorbs fast and doesn’t leave the greasy film that puts people off reapplying. Oil-free, hypoallergenic and nanoparticle-free. The squeezable tube clips straight onto a bag, belt loop or esky handle via the included carabiner, so it actually gets taken along instead of left in the car. Good fit for outdoor events, sports clubs, tourism operators, construction and any client running a sun-safety message.
