Description

The custom woven lanyard is a unique style and unlike other lanyards. The text or logo is woven (embroidered) into the fabric of the custom lanyard. The embroidered text or logo gives a professional look to the woven lanyards. It looks more third-dimensioned and splendid. However, the complicated detailed designs are not recommended for this custom woven lanyards. To create your own your lanyard, select a colour, select a free attachment, add on optional safety breakaway unit and add your logo.
