Description

The RPET Zig Zag Microfibre Lens Cloth is an everyday essential designed to keep screens and lenses clean—while making a better choice for the planet. Made from RPET, a fabric created using recycled PET materials, it offers excellent oil and moisture absorption without compromising on performance. Customise it with a full-colour design on one side to showcase your brand clearly and effectively. It's ideal for cleaning sunglasses, eyeglasses, camera lenses, phones, monitors and more. As standard, these are supplied in bulk. Available packaging options at an additional cost include a white/clear zip lock pouch or black cardboard pouch. Material: RPET
