Notes

Details such as measure, weight indications are approximate figures only. We reserve the right to change colours, printable areas, technical details or designs.

Supasub is a versatile alternative decoration technique. Our latest proprietary heat transfer technology allows you to print your logo directly onto the fabric of your caps. Supasub is perfect for products where printing isn't viable like beanies, scarves and hats. Supasub gives fantastic detail, vibrancy and quality but the embroidered edge offers the look of a classic cap, instantly it's the best of both worlds!
