Description

Styllo is the mightiest stylus pen you can wish for. Delivering a seamless transition from digital to analogue in a solid aluminium body, Styllo is built for portability with a professional appeal. Easily transform your Styllo from a smooth roller ball pen tip for writing on paper into a capacitive mesh stylus tip for touchscreen use or a precision disk stylus for creative professionals. The Styllo works on all touchscreen devices and is always ready to go. The durable mesh tip provides a smudge-free writing and drawing experience that will last and last. No connection or batteries required. Material: Aluminium.
