Description

The Newport is a wireless power bank that also provides built in charge cables with Lightning and Type-C connectors. Elegant in design - the perfect gift! Using its built-in suction caps to stick to your smart phone this 8,000 mAh power bank allows you to move around seamlessly without the need for additional cables. The Newport provides an A Grade Lithium-Polymer battery, Micro USB input, Foreign Object Detection (FOD) on its wireless charger and protection circuitry to stabilise the output voltage, prevent over charging and short circuit on its USB output. Suitable for charging most smart phones (including those meeting the Qi and tablets including iPhone, iPad, Samsung and any other 5V DC powered device. Includes micro USB charge cable and user manual. Material: ABS.
