### Description

Deluxe 600ml borosilicate glass drink bottle which has an insulating soft neoprene sleeve that keeps drinks cool for longer. The sleeve is accented with grey binding and it has a grey woven carry strap. Both the sleeve and base can be branded in spot colours or stunning full colour. Venus has a secure screw on stainless steel lid which can be laser engraved with a logo. Borosilicate is a lightweight glass that is exceptionally strong and shatter-resistant. Glass is a natural choice for a clean, pure taste and is a safe and reusable plastic alternative. This product is not intended to be used with carbonated or hot liquids and is not dishwasher safe. Handwashing is recommended. A production lead time of 25 working days applies to the sleeve by air freight and larger orders can be sea freighted on request to reduce the freight cost.
