Description

The Kabul Power Bank is guaranteed to always keep your device charged, and do it fast. With a 10000 mAh capacity, this powerbank can be used multiple times before needing to charge it again. The Kabul comes with a 30cm USB-C charging cable and certified with the Australian Compliance Standard. A digital LED face on the power bank displays the % of the battery in the power bank so you are always prepared to charge it if needed. This item does support fast and wireless charging, so you can simply place your device on top of the device without worrying about finding a cord. The back of this power bank lifts up so you can wireless charge your device, standing up. This Power bank can charge multiple products at once. Product Dimensions: 141mm H x 70mm W
