Description

SPICE strive to create extraordinary products that have a positive impact on the planet. Their Calypso range is no different - this 750ml drink bottle features ergonomic design and is made from recycled stainless steel with a brushed titanium finish. The BPA-free bottle uses TempLock double walled, vacuum insulation to maintain drink temperatures for longer. Calypso is 35% lighter than similar bottles on the market, and a secure, screw on lid ensures the bottle is leak-proof, perfect for day trips or commuting. The bottle is 100% carbon neutral to delivery and is presented in a natural gift box with black print, featuring the SPICE logo on the back of the box.
